Who will benefits be paid to?

All benefits will be paid to You. In the event of Your Accidental Death benefits will be paid to Your legal personal representative.

The benefits

If any person covered under this Policy has an Accident after the Start Date and before the End Date that results in Accidental Death or a Bodily Injury covered under this Policy then You will be entitled to the appropriate benefit stated in the table of benefits.

The amount of benefit that You will receive will depend on the level of cover You have, and on the effect of Bodily Injury caused by the Accident. The level of cover You have is shown in Your Schedule. The effects of Bodily Injury covered under this Policy are those shown in the summary of benefits table

Permanent Total Disability, Quadriplegia or Paraplegia

If You are claiming for permanent total disability, quadriplegia or paraplegia, assessment of eligibility for the benefit (and any benefit arising) will be delayed for 12 months from the date Your claim is received by Us so that

an independent Doctor of Our choice can assess Your claim. However if it is shown by medical evidence that the disability is total and permanent, then We may pay a benefit before the end of the 12 months.

Hospitalisation

The daily benefit rate shown in the summary of benefits table of this Section:

• is for each complete 24 hour period in Hospital;

• excludes the first 24 hours in Hospital for any one Accident;

• is subject to a maximum of 45 days in Hospital for each Accident.

A single lump sum payment benefit will be made in addition to the daily Hospitalisation benefit after 14 continuous days in Hospital. Only one lump sum payment will be paid for the same Accident.

Maximum benefits and restrictions on benefits

The maximum total benefit for all Personal Accident Cover claims under the Policy in respect of each person covered under the Policy is a sum equal to the Permanent Total Disability benefit in the appropriate table of benefits. When this limit has been reached, we will not pay any further benefit under this Personal Accident Cover and the Policy will end.

This limit does not apply to a claim for Quadriplegia benefit. In that case, provided the maximum benefits limit referred to in this paragraph have not been reached, the maximum benefit We will pay for all claims under this Policy is a sum equal to the Quadriplegia benefit. In the event of a claim by You under this benefit any other sums paid to You or due to be paid to You under this Policy (in respect of Personal Accident Cover) before Your claim will be deducted from the amount due to You under the Quadriplegia benefit.

Where death follows within 12 months of an Accident

If We have paid an earlier benefit and the person who has suffered the Accident then dies within 12 months as a result of the same Accident We will reduce the sum We pay for Accidental Death by the amount of any earlier Personal Accident Cover payment(s) for that Accident.

Where we have paid an earlier benefit or You are claiming for multiple benefits

Where We have made payment following permanent loss or use of a shoulder, elbow, hip, knee, thumb, wrist, ankle finger or any toe, the amount payable under the Permanent Total Disability, Paraplegia, permanent Loss of Sight in one or both eyes, permanent loss of use of one or two limbs, in respect of any subsequent Bodily Injury to the same limb will be reduced by the amount(s) already paid. If You have claimed benefit for Loss of Use of Limb(s) then we will not pay benefit for loss of use of other parts of that limb.

If You claim benefit for loss of use of more than one part of a limb then the total amount We will pay for all parts of one limb will not exceed the benefit payable for loss of use of the whole limb.

Where the effects of the Accident are made worse by sickness or disease

If the effects of an Accident are made worse because the person affected already had a sickness, disease, naturally occurring condition or Injury then We will ask a Doctor to assess the effects that the sickness, disease, naturally occurring condition or Injury has on the Bodily Injury and We will reduce Your benefit by a proportionate amount taking any such pre-existing sickness, disease, condition or Injury into account.

Multiple fractures to the same joint or bone

If You have an Accident which results in more than one Fracture to the same joint or bone We will only pay benefit for one of the fractures.

Personal Accident Section Conditions

Claim requirements

Before We can pay out a claim We must receive from You the necessary evidence and proof to validate Your claim. We will only ask for information and proof that is reasonably required for the purpose of assessing Your claim. When You make a new claim for Inability to Work benefit, the information We may require depends upon whether You are, at that time, Employed or Self-Employed:

Where You are Employed We will require:

• medical certificates covering the period for which You are making Your claim (We will accept You self-certifying a period of up to 7 days before You obtain the first such medical certificate at the start of **Your** claim);

• Your doctor's name and address;

• Your employer's name and address.

Where You are Self-Employed We will require:

• medical certificates covering the period for which You are making Your claim (We will accept You self-certifying a period of up to 7 days before You obtain the first such medical certificate at the start of Your claim);

• Your doctor's name and address;

• bank statements for Your Business, or evidence of Your payment of class 2 national insurance contributions, covering the period immediately before the date from which Your claim starts.

Throughout any period during which You continue to make a claim for Inability to Work You may be asked to provide, at Your expense, such reasonable proof that You continue to be Unable to Work, including providing Us with ongoing medical certificates and by completing continuing claim statements confirming such information as We may reasonably require.

Related/linked Claims

If You return to Work after recovering from an illness or Injury, but become Unable to Work again, We may be able to start Your weekly payments again straight away, without having to wait for the qualifying period.

If You are Unable to Work within 6 months of returning to Work, We will treat this as a Related Claim and will re-start Your monthly payments straight away, as long as:

• Your Inability to Work is due to the same illness or Injury that We originally paid Your claim for;

• Your Work is the same as it was when You were first Unable to Work; and

• You let Us know within 2 weeks of the date You stop working.

However if We paid Your previous claim up to the Claim Limit and the reason You are Unable to Work is the same, We will treat this as a Related Claim, and You won't receive any more payments from us. All related claims count towards the Claim Limit.

If You are Unable to Work because of a different reason, We will treat Your claim as a new claim. This means Your claim will start from the beginning again and You will need to wait for the Qualification Period to end before Your payments start.

Premium refunds and cash-in value

This Section has no cash-in or surrender value. In the event of any overpayment of premium, We will refund any such overpayment

When does this Cover end?

Your cover will end on the date:
